C. 42-2

To The Registrar of the
Chief Court of Mysore

Sir,

In reply to your letter
no. 625/57 of the 26th July 1904
enquiring if the Judges are now
in a position to make some
addition to the establishments
of Civil Courts if "moderate
suggestions" are made,
I am directed to state
that the financial position
has not materially changed since
the order of 22 Sept. 1902
no. 3077/253 was passed,
and that whether any addition
to existing establishments
can be sanctioned depends
on the [illegible]

and partly on the amount involved by the addition.

Consequently, in the absence of information on both these points, the Government regret their inability to give any previous assurance of the kind asked for.

At the same time it need hardly be stated that they will always be glad to give their best consideration to any proposals that may be formulated by the Chief Court for the efficiency of the Judicial Administration - and to come to a decision in the course of the year 1905-06.
